25X1

1. [] the Chanchiang (N 21-11, E 110-24) Construction Company obtained the approval of the Chanchiang branch of the Chinese Communist Harbor Construction Administration Bureau¹ to accept bids for the construction of shipping facilities which had been authorized by the Kuangchowwan Naval Construction Command of the Central and South China Naval Command. The projects were as follows: 25X1

- a. Dredging of the Kwangchowwan Harbor to a point beyond Chanchiang and Hsiying (N 21-11, E 110-24).
- b. Construction of two wharves, seven naval barracks, and one warehouse at Hsiying.
- c. Construction of piers for ferries operating between Tunghaitao (N 21- , E 110-) and Chanchiang.
- d. Construction of four naval warehouses and twelve barracks at Tunghaitao.
- e. Construction and repair, including dredging, of one wharf at Wuch'uan (N 21-15, E 110-38).

2. The Chanchiang Construction Company planned to begin work on these projects [] 25X1

[] the Kuangchowwan Naval Construction Command had conducted a survey of the harbor of Kuangchou and of the northern area of Gh'iungchouhaihsia (N 20- , E 110-) to estimate requirements for the construction program.

1. [] Comment. [] five District Harbor Bureaus had been established in Communist China and were attached to the Ministry of Communications. One of these five bureaus was the Canton District Harbor Bureau which may be the one referred to in the present report. 25X1
